The sooner you pay your Total Due, the faster I can put all our resources in place. So please pay in full by 6/1/12. If you can pay earlier, it would really help the program.

Your deposit and balance are fully refundable until 6/1/12. No refunds after that date.

CMP reserves the right to make changes in the program, but promises to notify you if any changes become necessary.

Once you register, I will send you info on hotels (if you need it), and a list of things to know when coming to study with us.

You can pay in-person or send this form and payment to:
